## BOOST IS A LIFESTYLE

Introducing the newest **BOOST+ SERIES** from **DERMEDICS®**.  
It isn't just skincare; it's a transformative lifestyle choice.

It goes beyond the ordinary, offering a comprehensive collection that doesn't just enhance skin health – it empowers your confidence and fuels your success. **Imagine a journey where each product isn't just a step in your skincare routine, but a way to embrace your natural beauty and amplify your self-assured radiance.**

**Boost Your Glow, Naturally:** Our mission is to deliver REAL RESULTS through the BOOST+ SERIES. We tap into nature's potency to unveil your skin's inherent brilliance, infusing it with a luminous glow that signifies well-being and vitality. Unleash your skin's extraordinary potential with the BOOST+ SERIES. Each serum is a tribute to nature's rejuvenating prowess, meticulously designed to amplify your skin's youthful vitality.

**Boost Your Self-Confidence:** DERMEDICS® transcends being just a brand; it's a movement dedicated to magnifying your self-confidence. With our Youth Boosters seamlessly integrated into every serum, you'll experience firsthand the revival of your skin. Yet, the transformation doesn't halt there – your self-assuredness, too, will be turbocharged, setting you on a trajectory of unstoppable accomplishments. It's not just about skincare; it's about nurturing your self-esteem.

**Boost Your Potential:** To our business partners and friends: you're not merely marketing products – you're extending an avenue for transformative change. This is your chance to be part of a revolutionary shift. The BOOST+ lifestyle transcends a mere product line; it's an opportunity to redefine how people perceive life and self-care. Let's unite to unlock potential, ignite growth, and catalyze success. Join us in spreading the BOOST+ momentum and unlocking unprecedented achievements.

**Boost Your Opportunities and Beauty:** At DERMEDICS®, we believe in the potential of elevation. Our BOOST+ SERIES isn't limited to skincare – it's a lifestyle that amplifies your natural radiance, opening doors to new opportunities, and boosting your inner confidence. Imagine a world where every endeavor is infused with the transformative power of BOOST+ — here your skin exudes radiance and your self-assuredness shines through, propelling you towards success.

**Boost Your Success:** At DERMEDICS®, we stand behind your triumphs. Every sale, every delighted customer testifies to the efficacy of BOOST+. As you introduce the BOOST+ lifestyle to the world, remember that you're offering more than products – you're instigating transformation. Embrace the challenge and let every transaction stand as evidence of the power of BOOST+. Your journey to success is about to receive a tremendous boost.

**Embrace the BOOST+ Revolution:** DERMEDICS® cordially invites you to immerse yourself in the BOOST+ movement. Embrace BOOST+ as more than a collection of youth booster serums; let it evolve into a mantra for embracing life wholeheartedly. And, of course, let's not overlook the BOOST smile ☺ – as your skin flourishes, your smile will light up every room you enter, radiating assurance and positivity.

**Experience the transformation today and become the pioneer of the BOOST+ lifestyle.  
Elevate Every Day with the Empowering Essence of BOOST+.  
The BOOST+ SERIES: Your Journey to a Life Boosted.**

We are **DERMEDICS®**.  
**BOOST+** is a lifestyle.

# **BOOST+ SERIES**

Step into the world of **DERMEDICS®**, where we don't just enhance your skin – we infuse it with **REAL RESULTS** and Ignite Your Potential for a Boosted Well-being!  
**Boost Your Harmony, finding balance and radiance in every facet of your life.**

### DERMEDICS® BOOST+ SERIES – INTRODUCTION

#### Introducing the BOOST+ SERIES: Your Pathway to Radiance

Welcome to a new era of skincare innovation brought to you by DERMEDICS®. We are thrilled to introduce the BOOST+ SERIES – a dynamic collection of 14 meticulously crafted serums for mesotherapy, designed to boost your skincare regimen to unprecedented heights. With a commitment to ethical excellence, the BOOST+ SERIES is a true embodiment of innovation, ethics, and efficacy.

**Boost Your Beauty Ritual:** Each serum in the BOOST+ SERIES is a masterpiece, formulated with precision to deliver optimal results. Our mission is to make radiance accessible to all, ensuring that your skin remains pampered and cared for, wherever you are.

**A Symphony of Ethical Elegance:** At DERMEDICS®, we are proud to stand as champions of ethical beauty. The BOOST+ SERIES exemplifies this commitment with every drop. Crafted with a vegan formula and cruelty-free principles, these serums embrace the essence of ethical skincare. Rest assured that the beauty you attain is in harmony with your values, leaving you with a radiant conscience.

**Harnessing Nature's Bounty:** Immerse yourself in the power of high natural origin content. Each BOOST+ serum is an exquisite blend of nature's finest elements, ranging from collagen and elastin to 4D hyaluronic acid and beyond. The result? A symphony of skin-nurturing ingredients that rejuvenate, restore, and reveal your natural beauty.

**Enchantment of Blue Lotus Extract:** As you immerse yourself in the BOOST+ SERIES, you'll encounter the enchantment of Blue Lotus extract. This revered flower, celebrated for its soothing properties, finds its place in each serum, adding a touch of serenity to your beauty ritual. Experience the calming embrace of Blue Lotus as your skin revels in its transformative allure.

**Craft Your Personalized Elegance:** Boost your skincare journey with the creative freedom of our concentrated serums. The BOOST+ SERIES empowers you to become the alchemist of your beauty, allowing you to craft unique serum cocktails that cater precisely to your skin's needs. This is skincare tailored to your individuality.

**Unveil your radiant potential with the BOOST+ SERIES, where innovation meets ethics and beauty knows no bounds. Explore the mesmerizing fusion of skincare and technology, embodied in 14 luxurious serums, each a testament to our unwavering commitment to your skin's timeless allure. It's time to embrace the future of beauty with DERMEDICS®.**

**Discover the BOOST+ SERIES and Boost Your Beauty to New Heights!**

### DERMEDICS® BOOST+ SERIES – MARVELS COLLECTION

#### The 14 Meso Marvels Unveiled

Introducing the BOOST+ SERIES from DERMEDICS®, an exquisite collection of skincare innovations designed to boost your beauty routine to new heights. Prepare to dive deep into the intricacies of the 14 types of youth boosters that define the BOOST+ SERIES:

- 🌿 **COLLAGEN:** Boost the plumpness of the skin.
- 🌿 **ELASTIN:** Boost the elasticity of the skin.
- 🌿 **4D HA:** Boost multilevel hydration of the skin.
- 🌿 **PEPTIDE:** Boost the skin's barrier repair.
- 🌿 **B3 D3 MINERAL:** Boost the nourishment of the skin.
- 🌿 **PLACENTA:** Boost cellular vitality.
- 🌿 **Q10:** Boost cellular energy.
- 🌿 **OXYGEN:** Boost the oxygenation of the skin.
- 🌿 **CBD HEMP:** Boost the microbiome of the skin.
- 🌿 **GLUTATHIONE:** Boost the radiance of the skin.
- 🌿 **OPUNTIA:** Boost the firmness of the skin.
- 🌿 **RETINOID A:** Boost the youthful appearance of the skin.
- 🌿 **STEM CELL:** Boost cellular renewal.
- 🌿 **B12 C:** Boost a glowing complexion.

Embark on your skincare voyage with **COLLAGEN**, a potent ingredient that rejuvenates your skin's plumpness and elasticity, restoring a youthful and resilient appearance. **ELASTIN** adds grace and firmness to your skin, creating a captivating allure that endures.

Immerse your complexion in the multi-dimensional hydration of **4D HA**, an experience that deeply saturates your skin with moisture. Unlock the secrets of cellular rejuvenation with **PLACENTA**, awakening your skin's innate vitality and revealing a timeless, radiant glow. Infuse your skin with newfound energy through the invigorating **COENZYME Q10** or harness the rejuvenating potential of essential vitamins and minerals with **B3 D3 MINERAL**.

**PEPTIDE**, enriched with targeted peptides, unveils a rejuvenated complexion with each application. Illuminate your skin's brilliance with the potent antioxidants of **GLUTATHIONE**, while **OPUNTIA**'s desert-inspired resilience offers a unique approach to firming and strengthening your skin. Revitalize your complexion with the oxygen-rich care of **OXYGEN** or find equilibrium and comfort with CBD-infused serums featuring **CBD HEMP**.

Experience timeless elegance with **RETINOID A**, redefining youthfulness with its brilliant effects. Embrace the power of stem cells for renewal and rejuvenation with **STEM CELL**, and let the radiance-boosting capabilities of **B12 C** revitalize and brighten your skin.

The BOOST+ SERIES invites you to embark on a skincare journey that transcends conventional boundaries, enabling you to unlock the true potential of your skin's beauty. Elevate your skincare routine to new heights with the BOOST+ SERIES, where luxury meets science for a transformational skincare experience like no other.

**Boost your skincare ritual with these specialized serums, as part of the BOOST+ SERIES by DERMEDICS®. Your journey to healthier, more radiant skin starts here.**

## MESO SERUMS | MESOTHERAPY PROCEDURES

### DERMEDICS® BOOST+ SERIES – TECHNOLOGY

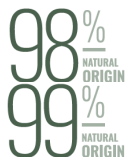

#### The BOOST+ SERIES: Boost Your Beauty with Unparalleled Innovation

Discover the BOOST+ SERIES, a testament to beauty beyond boundaries. It's not just skincare; it's a journey of ethical elegance powered by advanced technology. Boost your skincare routine with serums that honor your values, nurture your skin, and introduce you to a world of radiant transformation.

#### VEGAN: Embrace Nature's Purity

The BOOST+ SERIES proudly presents a vegan skincare revolution, crafting each serum without a trace of animal-derived ingredients. This commitment to purity ensures that your journey to radiant skin is in perfect harmony with your values. Embrace skincare that is not only uncompromisingly radiant but also aligns perfectly with your values.

#### NATURALITY: Harnessing Earth's Essence

With an impressive natural content ranging from 98% to 99% and beyond, the BOOST+ SERIES from DERMEDICS® offers the purest and most potent ingredients for optimal skincare results.

CRUELTY FREE

#### CRUELTY-FREE: Beauty with Compassion

The BOOST+ SERIES exemplifies our dedication to compassionate beauty, ensuring that no harm comes to our animal friends. With every application, you can indulge in the confidence that your pursuit of beauty is aligned with kindness and empathy.

*Rest assured, every product within the DERMEDICS® series adheres to our stringent cruelty-free principles. However, each cosmetic series is thoughtfully promoted with distinct focuses to cater to diverse preferences and values globally.*

#### BFF TECHNOLOGY: A Bond Beyond Beauty

The heartbeat of the BOOST+ SERIES lies in our revolutionary BFF (**B**est **F**riend **F**orever) technology. Imagine your skin finding its ultimate companion – a technology that caters to its every need. Crafted with meticulous precision, this technology infuses each serum with a symphony of carefully selected ingredients that your skin will adore.

#### Dive into the Sea of Transformation

Central to the BFF technology is the **Sea Water** – a treasure trove of minerals and nutrients sourced from the depths of Earth's crust.

Unlike traditional sea water, our formulation is devoid of salt, ensuring that your skin is nourished and hydrated, without the risk of dehydration. Dive into a world of rejuvenation as Sea Water renews and replenishes, revealing your skin's innate radiance.

**Experience the Revolution of Beauty with the BOOST+ SERIES Today!**

STEM CELL	■	■														■	
B12 C	■	■	■														■

Following the esteemed tradition upheld by **DERMEDICS®**, the **BOOST+ SERIES** consistently excludes the following components from serums dedicated to mesotherapy:

- Methylisothiazolinone (MIT/MI)
- Formaldehyde donors in preservation systems, including DMDM Hydantoin, Diazolidinyl Urea, Imidazolidinyl Urea, Methenamine, Quaternium-15, and Sodium Hydroxymethylglycinate
- Denatured alcohol (INCI: Alcohol Denat.)
- Parabens
- Fragrance
- Colorants
- Allergens
- Methylisothiazolinone (MIT/MI)
- Human Epidermal Growth Factors (EGF), which have the potential to induce carcinogenic cell divisions and expedite cellular mutations leading to cancer with prolonged use; these are commonly found in products imported from the Korean/Asian market

Furthermore, the intentional exclusion of the subsequent elements within the **BOOST+ SERIES** is not indicative of their unsuitability, but rather reflects a strategic decision to customize the product in alignment with diverse global beauty standards:

- PEGs
- Phenoxyethanol

## MESO SERUMS | MESOTHERAPY PROCEDURES

### DERMEDICS® BOOST+ SERIES – IONTOPHORESIS

MESO TYPE	Treatment with devices with iontophoresis
<b>COLLAGEN</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>ELASTIN</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>4D HA</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>PEPTIDE</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>B3 D3 MINERAL</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>PLACENTA</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>Q10</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>OXYGEN</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>CBD HEMP</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>GLUTATHIONE</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>OPUNTIA</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>RETINOID A</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>STEM CELL</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>
<b>B12 C</b>	iontophoresis (+ or –) = no ionisation effect <i>(serum does not contain ions so iontophoresis will be neutral)</i>

Neutral iontophoresis means that MESO SERUM by DERMEDICS® can be introduced into the skin with technologies based on direct current but without ionisation. Despite of all, the studies show that ionisation system is x500 times (five hundred times) less effective than electroporation system with alternating current which is included in MESOWAVE® PREMIUM device by DERMEDICS®.

## MESO SERUMS | MESOTHERAPY PROCEDURES

### DERMEDICS® BOOST+ SERIES – COCKTAIL BLENDING

Personalized Skincare Alchemy: Empower yourself to craft unique serum combinations tailored precisely to your skin's needs, making the BOOST+ SERIES your personalized skincare solution.

To achieve the desired meso-cocktail and ensure the utmost effectiveness of the treatments, the serum mixing can be employed.

**The blending process should be conducted within the similar textures, meaning liquids with liquids and emulsions with emulsions.**

Blending liquids with emulsions might result in uneven consistency. Therefore, when employing meso products with both types of consistencies in a single procedure, it is recommended to follow a two-step mesotherapy process: commence with the application of the liquid meso cocktail for the first stage, followed by the use of the emulsion meso cocktail for the second stage.

**CAUTION:** It is advisable to avoid blending MESO GLUTATHIONE with MESO RETINOID A, as this combination might lead to skin irritation due to their highly intense actions.

### DERMEDICS® BOOST+ SERIES – PACKAGING

## MESO SERUMS | MESOTHERAPY PROCEDURES

### DERMEDICS® BOOST+ SERIES – COMPONENT PRESENTATION

#### EARTH MARINE WATER (SEA WATER)

Earth Marine Water is a unique type of water, exceptionally rich in minerals, drawn from a preserved natural environment. Unlike traditional sea water, our formulation is devoid of salt, ensuring that your skin is nourished and hydrated, without the risk of dehydration.

#### **Water sourced in the heart of Noirmoutier**

Earth Marine Water originates from Noirmoutier Island, France, a pristine environment teeming with diverse plant and animal species, featuring salt marshes, sand dunes, and oak tree forests. This mineral-rich water is sourced deep within the Earth's crust, filtering through geological layers, acquiring unique properties, including high levels of manganese, zinc, iron, and lithium.

- (1) Sea water penetrates the Earth's crust
- (2) It seeps through several geological layers
- (3) Sourced on the island of Noirmoutier

#### **Re-Mineralizing effect:**

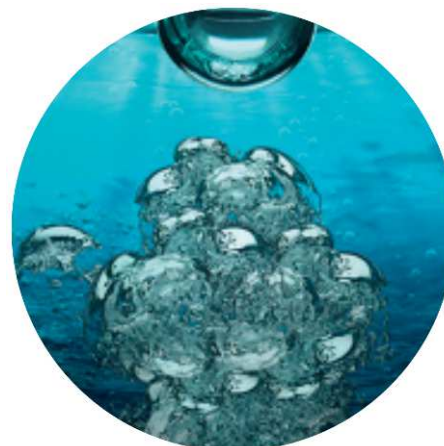

Earth Marine Water re-mineralizes the skin more effectively than sea water or thermal water. These essential elements enable Earth Marine Water to stimulate cell viability, which results in a revitalizing effect.

**Detoxifying effect:** Every day, the skin is under attack by elements that contribute to oxidative stress and protein oxidation, leading to carbonylated proteins (i.e. proteins that are no longer functional). Thanks to its antioxidant action and shielding properties against tobacco smoke and exhaust fumes, Earth Marine Water reduces the number of carbonylated proteins after just 14 days of use. Earth Marine Water reduces skin oxidation and protects the skin against the damaging effects of external influences. The result is a detoxified, brighter skin and a fresh, even skin tone.

**Strengthening effect:** Earth Marine Water can also protect cells exposed to pro-inflammatory elements. This fortifying water has an immediately revitalizing and illuminating effect on the complexion, for a radiant, refreshed skin.

#### **In-Vivo Tests**

- Enhances complexion refinement by minimizing pore visibility.
- Diminishes skin shine, imparting a rosy and luminous skin tone.
- Mitigates skin oxidation.
- Enhances skin radiance, promoting a rosy and even skin tone.
- Nourishes and moisturizes the skin, replenishing its vitality.

**Dive into a world of rejuvenation as Sea Water renews and replenishes, revealing your skin's innate radiance.**

### BLUE LOTUS

**Unveil Radiance with Blue Lotus:  
Where Ancient Legacy Meets Modern Beauty.**

**Introducing Blue Lotus:** A revered emblem across cultures, the extract marries ancient legacy with modern skincare marvels, redefining beauty rituals through its extraordinary properties.

**Aqua-Born Elegance:** Emerging from aquatic leguminous plants, the Blue Lotus graces the world with diurnal and nocturnal blooms, each exuding a unique fragrance. Celebrated by Egyptians and immortalized in art, its history is interwoven with tales of guardian goddesses and mystical nymphs.

**Time-Honored Soothing:** Meticulously obtained from the seeds of the Blue Lotus, its extract once adorned the ointments of ancient Egyptians, a testament to its revered heritage. Today, its potential is harnessed for advanced skincare, embodying centuries of wisdom.

**Soothing Mastery:** Blue Lotus extract emerges as a soothing powerhouse, adept at calming discomfort, alleviating sun-induced burns, and pacifying cutaneous inflammation.

**Innovative Rejuvenation:** Beyond its historical significance, the extract reveals a modern approach to skincare. It imparts a velvety softness to the skin, quashes inflammatory responses, and fosters the regeneration of skin cells, unveiling a renewed and revitalized complexion.

**Tradition Meets Innovation:** Just as the Blue Lotus symbolizes purity and renewal, its extract encapsulates age-old healing merged seamlessly with contemporary finesse. It presents a harmonious synthesis of tradition and innovation.

**Experience Rebirth:** Invite Blue Lotus extract into your skincare routine and embrace the profound benefits of its storied past. Let it rejuvenate and nurture your skin, revealing a radiant and harmonious complexion.

**Elevate your skincare ritual with the timeless essence of Blue Lotus – a symbol of purity and renewal, now harnessed to rejuvenate and nurture your skin.  
Harness tradition, embrace innovation, and boost your beauty journey with the transformative power of Blue Lotus extract.**

### SQUALANE

#### **Unveil the Brilliance of Squalane: A Symphony of Skin Revival**

**Discover the Essence:** Delve into opulent skincare with Squalane, an exquisite cosmetic jewel that defines the apex of skin luxury. Elevate your skincare regimen with a cascade of exceptional benefits, setting your journey on a path of unrivaled distinction.

**Nature's Gift of Radiance:** Derived from olives, Squalane is the embodiment of nature's grace for achieving sublime skin texture and luminosity.

Its weightless, non-greasy touch envelops your skin, bestowing a velvety caress and captivating radiance. This exceptional elixir plays the role of a natural fortress, sealing in moisture and fortifying against external stresses, making it an essential companion for safeguarding skin's well-being.

**Transformation of Hydration:** Immerse yourself in a transformative experience as Squalane drenches your skin in profound hydration. Watch as fine lines and wrinkles fade, revealing a complexion brimming with youthful vitality. This versatile elixir harmonizes with all skin types, even the most delicate, showcasing its gentle efficacy.

**Reviving the Barrier:** Enrich your skincare routine with Squalane and witness the revival of your skin's lipid barrier. Embrace its adeptness in repelling trans-epidermal water loss (TEWL), restoring suppleness, and cocooning you in luxurious moisturization. Revel in its seamless spreadability and robust carrier attributes, underlining its affinity with your skin's needs.

**Ideal for Oily Skin Harmony:** Squalane isn't just for the norm; it's the ideal solution for oily skin prone to imperfections. Whether it's clogged pores, blackheads, or whiteheads, Squalane offers a symphony of balance and clarity.

**Elevate your skincare routine with Squalane's exquisite embrace. Embrace the allure of restored radiance, and let your skin resonate with the harmonious beauty it deserves.**

*CURIOSITY: Squalane, the refined form of squalene, offers a lightweight and non-greasy texture that enhances skin absorption. Unlike squalene, which can be prone to oxidation, squalane is highly stable and better suited for skincare formulations. Its deep hydrating properties make it an ideal choice for our MESO treatments, ensuring optimal skin benefits without compromising on stability.*

### COLLAGEN

#### INNOVATION

#### Reimagining Skincare Excellence through Innovative sr-Hydrozoan Polypeptide-1

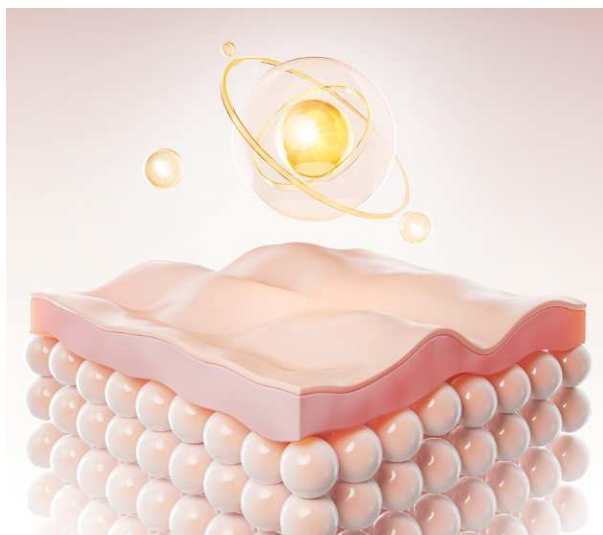

Experience a groundbreaking leap forward in the realm of skincare innovation with the introduction of sr-Hydrozoan Polypeptide-1.

This visionary peptide marks a paradigm shift, redefining the landscape of skincare by presenting a vegan biomimetic collagen that far surpasses conventional marine collagens typically derived from fish sources.

Elevating the concept of skincare excellence, sr-Hydrozoan Polypeptide-1 serves as an emblem of distinction within the industry. Unlike traditional marine collagens, this pioneering peptide offers an unparalleled journey that brings about a transformative experience for your skin.

Prepare to undergo a remarkable revival in cellular regeneration, fortified protection, and derma-collagen synthesis. The cutting-edge technology harnessed within this peptide revitalizes your skin's vitality, unveiling a complexion characterized by timeless radiance.

Embodying the vanguard of skincare evolution, we cordially invite you to embrace the future with the revolutionary sr-Hydrozoan Polypeptide-1. This meticulously crafted vegan biomimetic collagen promises to boost your skincare routine to unprecedented heights. Witness the inception of a new era, one where the harmonious convergence of science, innovation, and elegance shape the very essence of timeless beauty.

**Excitingly, sr-Hydrozoan Polypeptide-1 now finds its home in the BOOST+ SERIES by DERMEDICS®, delivering unmatched purity and biocompatibility. Discover the next level of skincare luxury, where innovation and beauty converge to redefine your skincare experience.**

#### Certificates of this ingredient and its powdery version

### ELASTIN

#### INNOVATION

#### Discover sh-Polypeptide-50 Elevating Skincare Elasticity

Introducing sh-Polypeptide-50, a groundbreaking innovation in skincare that transcends traditional beauty standards.

As the sole pure human elastin ingredient designed for topical skincare, sh-Polypeptide-50 offers you an unparalleled level of purity and biocompatibility, raising the bar for cosmetic excellence.

Elasticity, a defining trait bestowed by sh-Polypeptide-50, originates from this essential human skin component. This remarkable protein uniquely possesses the ability to stretch and recoil, offering an unrivaled solution for enhancing skin resilience. Immerse yourself in the potential of sh-Polypeptide-50 as it nurtures your skin's inherent elasticity, unveiling a complexion radiating with youthful vibrancy.

Meticulously crafted, sh-Polypeptide-50 undergoes a precise bio-design and manufacturing process within the USA. This innovative and sustainable method relies on 100% plant-based fermentation, entirely devoid of human or animal elements, ensuring top-tier quality while embodying eco-friendliness and cruelty-free principles.

Boost your skincare journey with sh-Polypeptide-50, a beacon of elegance and innovation. We invite you to join us in embracing the essence of timeless beauty, as we reshape skincare for the discerning modern connoisseur.

**Excitingly, sh-Polypeptide-50 now finds its home in the BOOST+ SERIES by DERMEDICS®, delivering unmatched purity and biocompatibility. Discover the next level of skincare luxury, where innovation and beauty converge to redefine your skincare experience.**

### 🌿 4D HA (4-DIMENSIONAL HYALURONIC ACID)

**Unveiling the Future: 4D Hyaluronic Acid (HA), your skin's molecular sponge, revolutionizing hydration with replenishment and sustained retention.**

The 4D Hyaluronic Acid (HA) is a combination of four kinds of hyaluronic acids that have different properties that build up and form a three-dimensional network and accurately target the three different layers of the skin, to replenish water from outside and hold water from inside. This way, the skin is hydrated entirely and improves elasticity directly from within.

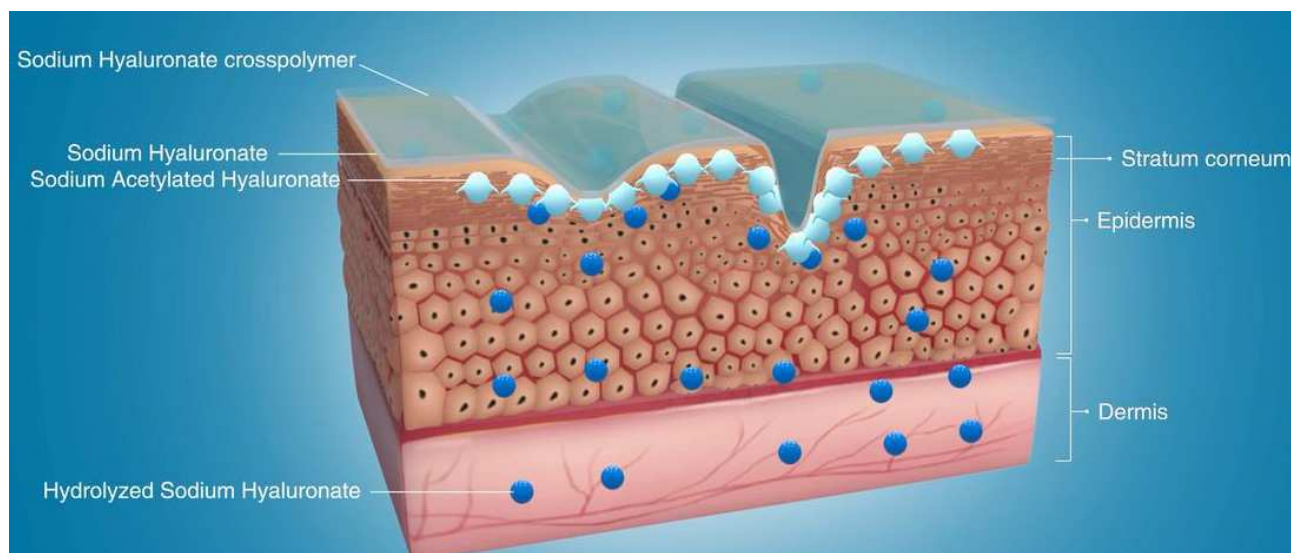

**Sodium Hyaluronate Crosspolymer**, an ultra-high molecular weight sodium hyaluronate, forms a protective dense film on the skin's surface, reducing water loss from within. Simultaneously, it offers 24-hour moisturization as well as anti-pollution and anti-UV capabilities

**Sodium Hyaluronate** holds water on the skin surface nourishing the corneum.

**Sodium Acetylated Hyaluronate** firmly adheres to the stratum corneum, providing superb hydration and repairing the damaged corneum.

**Hydrolyzed Sodium Hyaluronate**, an extremely low molecular weight sodium hyaluronate swiftly penetrates the epidermis and dermis. It effectively hydrates and rejuvenates the skin from within.

The multi-level activity of 4D HA results in an immediate and comprehensive bestowal of moisturizing efficacy across the skin's diverse layers. By promoting lasting hydration, it not only enhances intrinsic skin moisture but also cultivates heightened suppleness and elasticity. This, in turn, contributes to a smoother and more resilient skin texture.

INCI: *Sodium Hyaluronate Crosspolymer, Sodium Hyaluronate, Sodium Acetylated Hyaluronate, Hydrolyzed Sodium Hyaluronate*

## MESO SERUMS | MESOTHERAPY PROCEDURES

### 🌿 PEPTIDES (AMINO ACIDS)

#### Peptides: Illuminating Skin Science

In the realm of beauty, peptides are small amino acid chains, the building blocks of proteins, crucial for skin structure and function. They act as messengers, triggering vital processes like collagen production and moisture retention, pivotal for vibrant skin.

Peptides adapt to diverse skincare, synergizing to address various concerns like barrier support, hydration, and anti-aging. At the nexus of science and beauty, peptides redefine skincare, nurturing skin health for a radiant, resilient complexion.

Unveil the power of meticulously curated peptides, renowned for their remarkable benefits in skincare and unlock timeless beauty. Our groundbreaking cosmetic formulation of feature a carefully selected array of peptides, each playing a unique role in orchestrating a symphony of skin wellness.

Let's explore their individual contributions:

<b>Serine:</b> Catalyst for Protein Synthesis	Rejuvenates the skin's architecture, promoting enduring firmness
<b>Alanine:</b> Moisture Retention Agent	Maintains continuous hydration for supple, smooth skin
<b>Glycine:</b> Collagen Synthesis Advocate	Revitalizes elasticity, revealing a portrait of youthful vitality
<b>Glutamic Acid:</b> pH Equilibrium Guardian	Harmonizes the skin's overall well-being by maintaining pH balance
<b>Lysine HCl:</b> Collagen Genesis Catalyst	Orchestrates reparative processes, reducing the visible signs of aging
<b>Threonine:</b> Protein Renewal Architect	Champions the canvas of rejuvenation through protein synthesis
<b>Arginine:</b> Circulation Maestro	Conducts symphonies of nourishment, enhancing complexion vibrancy
<b>Proline:</b> Collagen Stability Cornerstone	Fortifies the structural scaffold, bestowing a canvas of timeless beauty

Central to these peptides is their ability to reinforce the skin's natural barrier function – a crucial defense against external stressors. Working in harmony, these peptides imbue the skin with heightened resilience against the modern world's challenges. This harmonious convergence, backed by rigorous scientific validation, underscores their multifaceted contributions to skincare excellence.

Experience the transformation as your skin resonates with luminosity, resilience, and holistic health. The harmonious convergence of these peptides is a testament to their multifaceted contributions to skincare excellence. Their role in reinforcing the skin's barrier and ushering in an era of luminosity, resilience, and holistic health is underscored by a robust foundation of scientific validation.

**Boost your skincare ritual with formulations that encapsulate the essence of these peptides, ensuring a symphony of transformation for your skin.**

INCI: *Serine, Alanine, Glycine, Glutamic Acid, Lysine HCl, Threonine, Arginine, Proline*

## MESO SERUMS | MESOTHERAPY PROCEDURES

### B3 D3 MINERAL

Presenting an advanced skincare blend meticulously crafted to deliver a symphony of benefits.

**Our harmonious blend features vitamins B3, D3 as well as essential minerals: Magnesium Aspartate, Zinc Gluconate, and Copper Gluconate.**

Every component performs a distinct role, synergizing to provide unparalleled care and rejuvenation:

**Niacinamide (B3):** The cornerstone of skin health enhancement, it regulates sebum production, fostering a balanced complexion. It minimizes pore appearance, fortifies the skin's natural barrier, and enhances moisture retention for a smooth, supple texture. Its soothing attributes counter redness and irritation, creating a harmonious canvas.

**7-Dehydrocholesterol (D3):** As an essential Vitamin D precursor, this innovative bio-identical cholesterol utilizes sunlight's power to invigorate skin vitality. By participating in the skin's lipid matrix, it regulates cell differentiation, stimulates antimicrobial peptides, safeguards against UV damage, influences melanocytes, and contributes to overall radiance.

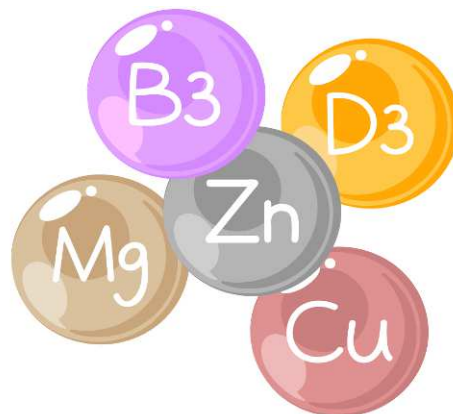

**Magnesium Aspartate:** Renowned for its revitalizing prowess, Magnesium Aspartate fuels energy metabolism in skin cells, elevating their performance. This results in refined skin tone and texture, unveiling a complexion radiating with vibrancy.

**Zinc Gluconate:** Possessing antibacterial potency, Zinc Gluconate manages blemishes and harmonizes oil production. Its anti-inflammatory nature alleviates skin, reducing redness and nurturing a more even tone.

**Copper Gluconate:** A vital element in collagen and elastin synthesis, Copper Gluconate empowers skin elasticity, firmness, and repair. It combats free radicals, fostering youthful radiance, and aids in wound healing.

United in this symphonic fusion, Niacinamide (B3), 7-Dehydrocholesterol (D3), Magnesium Aspartate, Zinc Gluconate, and Copper Gluconate harmonize to form a product that revitalizes, nurtures, and enriches your skin.

**Boost your skincare ritual with this potent blend, designed to address a spectrum of concerns, ultimately revealing a complexion that radiates health, vitality, and timeless beauty.**

INCI: *Niacinamide (B3), 7-Dehydrocholesterol (D3), Magnesium Aspartate, Zinc Gluconate, Copper Gluconate*

### PLACENTA

**Introducing our groundbreaking skincare innovation: plant placenta sourced from Soybean – the ultimate solution for youthful, radiant skin.**

Crafted from meticulously selected organic soybeans, this exceptional formula harnesses nature's power to revolutionize your skincare regimen.

**Enhance Skin Resilience:** Amidst daily stressors, our Plant Placenta offers a unique blend of organic soybean ingredients that empower skin cells to combat stress and embrace active repair. This elixir strengthens your skin's natural defense, creating a fortress that thrives even in challenging environments.

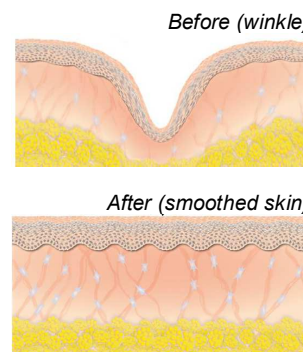

**Defy Aging, Embrace Beauty:** Our Plant Placenta takes center stage, bidding farewell to UV-induced damage. It significantly diminishes cellular harm from harmful rays, safeguarding your skin's vitality. Experience the magic as essential skin components remain intact, preserving your youthful allure.

**Unlock Regeneration, Embrace Firmness:** Embark on a rejuvenating journey with our Plant Placenta's remarkable abilities. Witness your skin regenerate, becoming firmer, smoother, and embracing freedom from wrinkles. This formula stimulates Collagen Type I synthesis, vital for skin suppleness and elasticity, culminating in a radiant complexion that defies age.

**Eternal Youth in Every Drop:** Revel in active cell repair and regenerative functions of our Plant Placenta. Watch as aging gracefully takes on new meaning with anti-photoaging properties, guarding against UV-induced damage. Express gratitude for reduced redness post-UV exposure and the observable decrease in wrinkle depth.

**Scientific Elegance:** Explore the science behind our Plant Placenta's transformative impact. This innovative formula stimulates protein and Collagen Type I biosynthesis, maintaining higher energy levels even after UV exposure.

**Illuminate Your Skin's Potential:** With our Plant Placenta, beauty transcends the surface. Experience increased UV light tolerance after a week of pre-treatment. Embrace newfound smoothness, improved elasticity, enhanced firmness, and reduced wrinkle depth as your skin flourishes under our Plant Placenta's care.

**Boost your skincare with nature's power – embrace Plant Placenta from Soybean and revel in skin that narrates a timeless tale of resilience, beauty, and grace.**

INCI: *Glycine Soja (Soybean) Phytoplacenta Extract*

### Q10

#### Introducing Q10: Unveiling Remarkable Skin Benefits

Discover the transformative power of Component Q10, a skincare marvel renowned for its exceptional skin benefits. At the heart of its remarkable effects lies the ability to restore the skin's lipid barrier and ensure optimal cell membrane functionality. By doing so, Component Q10 breathes new life into your skin, leaving it looking and feeling firmer, remarkably softer, and impeccably well-toned.

One of the most captivating attributes of Component Q10 is its profound impact on cellular vitality. Through a unique mechanism, it enhances cellular ATP production, thus fortifying cell viability from within. This energy boost translates into revitalized skin that exudes a vibrant and youthful appearance.

In the battle against aging, Component Q10 emerges as a stalwart defender. It takes on the role of a vigilant guardian, preventing collagen degradation by expertly inhibiting the expression of MMP-1 – an enzyme responsible for breaking down collagen, a crucial structural protein in the skin. By thwarting MMP-1's activity, Component Q10 preserves the integrity of collagen, leading to smoother, more resilient skin.

- **Revitalize and Protect:** Q10 is more than an antioxidant; it's a shield against UV rays and pollution. Preventing skin lipid peroxidation, it revitalizes your skin's barrier and offers a soothing touch to combat inflammations.
- **Maximize Vitality:** Watch your skin reclaim vitality as Q10 boosts cell activity, expelling toxins while maximizing nutrient utilization. It's a superpower that brings your skin to life.
- **Youthful Resilience:** Q10 ensures timeless beauty by stimulating natural repair, regeneration, and energy reserves. With sun damage mitigation, your skin emanates firmness, softness, and an unmatched tone.

**Indulging in the benefits of Component Q10 is a journey toward skin rejuvenation. As it bestows firmness, imparts a luxuriously soft texture, and enhances tone, your skin becomes a canvas of radiance and vitality.**

### OXYGEN

#### **Unveil the Secret to Radiant Skin: Oxygenation at its Core**

Discover the revolutionary skincare breakthrough that brings the power of oxygen to your skin's doorstep. Introducing the molecular oxygen carrier, the ultimate solution for rejuvenation and vitality, meticulously crafted to optimize your skin's natural potential.

#### **Oxygenation Re-imagined: Nourishing Your Skin from the Within**

The skin's upper layers thrive on atmospheric oxygen, crucial for maintaining cell structure and function. Deeper layers receive diminished atmospheric oxygen, underscoring the need for external support. The molecular carrier ensures your skin receives an adequate supply of molecular oxygen, vitalizing every cell.

#### **Fuelling Collagen Synthesis**

Molecular oxygen is essential for the cell's aerobic energy system, serving as a catalyst for dermal fibroblast proliferation and collagen synthesis. Collagen production hinges on the optimal hydroxylation of Proline and Lysine, achievable only through sufficient molecular oxygen. The robust oxygen supply renews cell energy, augmenting fibroblast proliferation and collagen production.

#### **Boost, Energize, Revitalize**

Intracellular ATP levels soar, infusing skin cells with renewed vitality. A surge in collagen concentration results in a reduction of fine wrinkles, giving smoother and less rough skin.

#### **Give Your Skin the Gift of a Deep Breath**

- **Revitalize:** Infuse your skin with a burst of energy, enhancing its natural radiance.
- **Nourish:** Nurture your skin's deepest layers with essential molecular oxygen, promoting cellular health.
- **Rejuvenate:** Watch as fine lines and wrinkles diminish, revealing a smoother, youthful complexion.
- **Rediscover Your Skin's Potential with the oxygen force**

Unleash the power of molecular oxygen to support collagen synthesis, energize cells, and rejuvenate your skin. Experience the future of skincare today and embrace the beauty of revitalized skin.

**Experience Oxygen's Transformative Impact!  
Fuel collagen, energize cells, and embrace timeless skin beauty.  
Try skincare with the ageless power of oxygen.**

INCI: *Perfluorodecalin*

### CBD HEMP

#### **Welcome to the Future of Radiant Skin: Embrace the Transformative Power of CBD Hemp Fusion**

Introducing our CBD Hemp fusion, a transformative blend harnessing the power of three Cannabis components: Seed Oil, Leaf Extract, and Stem Cell Extract.

This exceptional synergy transcends conventional skincare, focusing on solving a spectrum of skin concerns, and redefining radiance from within.

**Cannabis Oil Comfort for Acne-Prone Skin:** CBD Oil provides relief for acne-prone complexions, reducing redness and inflammation while restoring skin's equilibrium.

**Leaf Extract Serenity for Sensitive Skin:** Experience CBD Leaf Extract's calming embrace, alleviating irritation and providing a soothing solution for sensitive skin.

**Stem Cell Resilience for Aging Skin:** Unlock the potential of CBD Stem Cell Extract to rejuvenate aging skin, promoting vitality and elasticity for a more youthful appearance.

**Deep Hydration for Dry Skin:** CBD Hemp offers deep hydration, ensuring moisture retention and supporting the skin's natural barrier repair for dry skin types.

**Relief for Inflammatory Skin Conditions (Eczema, Psoriasis):** Discover CBD's soothing magic, easing discomfort and offering respite from the challenges of inflammatory skin conditions.

**Smoother Skin Tone and Texture:** CBD's skin-smoothing effects refine texture, promoting an even complexion and diminishing the appearance of uneven skin tone.

**General Skin Wellness for a Radiant Complexion:** Embrace CBD's holistic balance, fostering skin vitality and resilience for an overall healthy and radiant complexion.

**Boost your skincare regimen with CBD Hemp's customized benefits.  
Whether you're battling acne, seeking age-defying solutions, or striving for overall skin  
wellness, CBD Hemp offers a multifaceted approach to revitalize and rejuvenate your skin.**

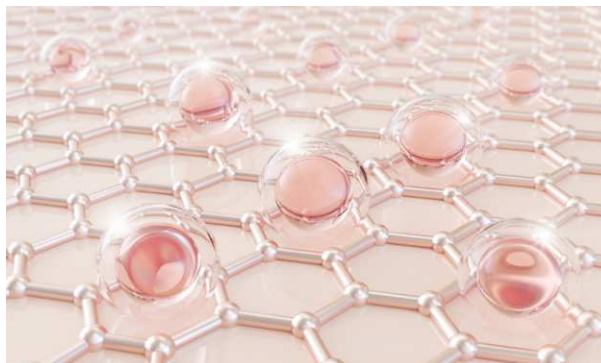

INCI: *Cannabis Sativa Seed Oil, Cannabis Sativa Leaf/Stem Water, Cannabis Sativa Leaf Extract, Cannabis, Sativa Stem Extract*

## MESO SERUMS | MESOTHERAPY PROCEDURES

### GLUTATHIONE

Glutathione, is a potent tripeptide composed of cysteine, glycine, and glutamic acid, has gained significant attention for its multifaceted activities in promoting skin health and appearance. Its remarkable properties include skin whitening effects, inhibition of tyrosinase, and powerful antioxidant capabilities.

#### **Whitening Effects**

Glutathione is renowned for its skin-whitening effects. This attribute stems from its ability to impede the production of melanin, the pigment responsible for skin coloration. By interfering with the synthesis of melanin, glutathione helps in gradually lightening the skin tone, reducing the appearance of hyperpigmentation, dark spots, and uneven skin tone. This makes it a sought-after ingredient in products aimed at achieving a more radiant and even complexion.

#### **Tyrosinase Inhibition**

Tyrosinase is a key enzyme involved in the production of melanin. Glutathione exerts its skin-lightening effects by inhibiting the activity of tyrosinase. By disrupting the enzymatic pathways responsible for melanin synthesis, glutathione helps prevent excessive pigmentation and contributes to a more uniform skin tone.

#### **Antioxidant Effects**

Glutathione is a potent antioxidant that plays a crucial role in protecting the skin from oxidative stress caused by factors such as UV radiation, pollution, and other environmental aggressors. By neutralizing harmful free radicals and reactive oxygen species, glutathione helps to prevent premature aging, collagen degradation, and other damage that can lead to dull and tired-looking skin.

#### **Liposomal System for Enhanced Penetration and Activity**

In recent advancements, glutathione is now being formulated using a liposomal delivery system. Liposomes are lipid-based vesicles that encapsulate active ingredients like glutathione. This innovative approach enhances the bioavailability and penetration of glutathione into the deeper layers of the skin. The liposomal system facilitates the transport of glutathione through the skin barrier, allowing it to exert its effects more effectively within the epidermis and dermis. This ultimately leads to improved results in terms of skin whitening, tyrosinase inhibition, and antioxidant protection.

In conclusion, glutathione's remarkable combination of skin whitening effects, tyrosinase inhibition, and antioxidant properties make it a valuable ingredient in skincare products. With the advancement of the liposomal delivery system, the penetration and activity of glutathione within the deep layers of the skin are further enhanced, contributing to its efficacy in promoting a brighter, more even-toned, and youthful complexion.

**Embrace the power of Glutathione and unlock your skin's potential for a radiant, even-toned complexion that exudes confidence and beauty!**

INCI: *Glutathione*

### OPUNTIA

#### Introducing Opuntia: The Ultimate Organic Cactus Solution for Skin Firming

Unveil the secret to radiant and resilient skin with Opuntia Elixir, an ultra-refined elixir derived from the heart of organic Opuntia Ficus-Indica Cacti. Renowned for its remarkable skin improvement properties, Opuntia Elixir has captured the essence of this succulent plant, revered for centuries as a source of healing and vitality. With an exclusive **focus on skin firming**, Opuntia Elixir is the coveted cosmetic ingredient you've been waiting for.

**The Science Behind Opuntia Elixir:** At the heart of Opuntia Elixir lies a transformative compound — piscidic acid. This unique ingredient acts as a potent inhibitor of reactive oxygen species (ROS), neutralizing harmful free radicals that contribute to skin aging. By binding to free iron ions, piscidic acid prevents the formation of ROS, preserving the skin's youthful radiance. Additionally, Opuntia Elixir's rich content of vitamins A, B1, B2, B3, and C, along with essential minerals, offers a nourishing cocktail for your skin's vitality and resilience.

Opuntia Elixir, distilled from organic Opuntia ficus-indica cacti, brings forth the ultimate solution for skin firming. The cactus's adaptability to extreme environments has birthed a powerful elixir that protects, hydrates, and firms the skin.

- **Firming Power:** Opuntia Elixir stimulates skin firmness, revitalizing for a youthful, lifted look.
- **Soothing Sensation:** Calm irritated skin as stress markers are blocked, inducing tranquility.
- **Hydration Hero:** Infused with water-binding compounds, Opuntia Elixir ensures deep hydration, leaving skin supple and radiant.
- **Tailored for Men:** Tested on men's skin, Opuntia Elixir addresses post-shave irritation, inflammation, and dehydration.

**Boost your skincare with Opuntia Elixir – embrace nature's resilience for firmer, healthier skin, and more radiant skin.**

### RETINOID A

#### Experience a transformation that epitomizes innovation and excellence

Embark on a skincare evolution with our exceptional RETINOID-A blend. This innovative formula harnesses the potency of two vegetable-based Vitamin A derivatives, Granactive Retinoid and Bakuchiol. Unlike traditional retinol, our blend ensures side-effect-free benefits. It's a redefinition of skin health, targeting wrinkles, age spots, texture, elasticity, acne, and hyperkeratinization.

Discover its multi-faceted impact through the following key points:

**Advanced Wrinkle Reduction:** The synergistic fusion of Granactive Retinoid and Bakuchiol brings forth a potent blend that significantly diminishes the appearance of fine lines and wrinkles. Witness the power of science and nature working harmoniously to restore youthful vibrancy.

**Age Spot Rejuvenation:** Uneven skin tone and age spots are addressed with precision. The blend's intensive action helps to fade superficial brown spots, unveiling a clearer and more radiant complexion.

**Texture Refinement:** Experience a refined skin texture as RETINOID-A works to unclog pores and reduce roughness. The result is a smoother canvas that's primed for flawless makeup application.

**Enhanced Skin Elasticity:** Say goodbye to sagging skin. Our blend promotes skin firmness, tightness, and elasticity, redefining contours for a more youthful appearance.

**Acne and Inflammation Management:** RETINOID-A's dynamic properties extend to acne-prone skin. Through its regulation of bacterial populations and inhibition of pro-inflammatory enzymes, it aids in achieving a clearer, healthier complexion.

**Hyperkeratinization Correction:** Experience the transformation of skin texture as the blend corrects hyperkeratinization. This process reveals a smoother, more refined complexion, setting the stage for a radiant glow.

**Skin Health Enhancement:** Bakuchiol's antioxidant defense genes up-regulation and broad-spectrum antibacterial and antifungal properties contribute to overall skin wellness, promoting a balanced and resilient complexion.

**Incorporate the future of skincare into your offerings with RETINOID-A. Boost your beauty services and empower your clients to experience the pinnacle of skin transformation. Science and nature converge, delivering unparalleled results that embody innovation and excellence.**

INCI: *Hydroxypinacolone Retinoate, Bakuchiol*

### STEM CELL

#### Unveiling Skin's True Potential with Stem Cell Enrichment

Introducing the pinnacle of skincare: our Stem Cell Enriched formula crafted with unwavering dedication, this fusion harnesses the extraordinary power of Orange Stem Cells and Aloe Vera Stem Cells to orchestrate a symphony of benefits:

**Stimulated Fibroblast Proliferation:** Watch as the hands of time are reversed. Our blend rekindles the vitality of aging fibroblasts, promoting their proliferation. **The result?** Enhanced collagen synthesis and fortified extracellular matrix components, unveiling a skin that radiates renewed firmness and elasticity.

**Structural Element Synthesis:** Experience a profound transformation as our blend magnifies the synthesis of structural elements within the extracellular matrix. This translates to improved skin organization, heightened assembly of epidermal structures, and a tangible refinement in skin texture.

**Dermis Re-densification:** Derived from Orange Stem Cells, our formulation awakens genes that restructure the extracellular matrix. The dermis undergoes a metamorphosis, characterized by revitalized organization and density. This, in turn, bestows the skin with a smoother, velvety texture and a newfound sense of resilience.

**Epidermis Balance and Radiance:** The Aloe Vera Stem Cells, a testament to the potential of nature, regulate elemental processes within the epidermis. This equilibrium extends to cell regeneration, oxygenation, and toxin elimination. The result is a balanced canvas that radiates a natural, luminous glow.

Boost your skincare with this high-tech natural marvel. Witness the fusion of science and botanical elegance transcend skin's limits. As the story of innovation unfolds, let your skin revel in a revitalized journey that restores their skin's innate splendor.

**Unlock Radiance with Stem Cell Enrichment:  
Where Nature's Potential Meets Scientific Excellence.**

### B12 C

#### **Introducing a Revolutionary Fusion! A Potential Global First: Food-Grade B12 & Vitamin C Blend in Meso Serum**

Embark on an extraordinary skincare journey with our pioneering blend – a unique union of food-grade Cyanocobalamin (B12), the pink vitamin, and Vitamin C sourced from Rosa Canina Seed Oil. This remarkable formulation crafts a groundbreaking synergy of essential vitamins, creating a radiant symphony for your skin.

**Experience Synergistic Radiance:** B12, often called the "pink vitamin," seamlessly intertwines with Vitamin C from Rosa Canina Seed Oil, amplifying each other's potential. Together, they spark an inner luminosity that surpasses conventional skincare.

**Enhance Skin Vitality:** B12's role in energy metabolism takes center stage. It infuses skin cells with invigorating energy, reawakening their vitality for a refreshed and revitalized complexion.

**Antioxidant Guardian:** Vitamin C and B12 form an impregnable partnership, boosting the skin's defenses against oxidative stress. Their potent antioxidant properties create a robust shield against environmental aggressors, preserving youthful allure.

**Collagen Champion:** Beyond fusion, this blend catalyzes collagen synthesis. Vitamin C and B12 collaborate to enhance skin's resilience, propelling vital protein production for a taut, elastic, and age-defying appearance.

**Redefined Hydration:** B12 and Vitamin C's transformative prowess extends to profound hydration. This dynamic duo nourishes and moisturizes skin cells, unveiling a supple and radiant complexion.

Embrace unparalleled benefits – a testament to our unwavering commitment to pioneering skincare. With food-grade B12's captivating pink hue and Vitamin C's radiant rejuvenation, behold a skincare revelation setting new standards of brilliance.

**Elevate Skincare with Unrivaled Innovation: Unveil the Radiance of Food-Grade B12 and Vitamin C from Rosa Canina Seed Oil.**

### **Certificates of B12 (food-grade quality)**

**Disclaimer:** All the certificates mentioned above pertain to individual component only described on this page and do not reference the end-use product that contains the component.
